Integrated Care Matters Series 2: A Community Approach to Palliative and End of Life Care

#ICMatters
IFIC is a non-profit members’ network that crosses organisational and professional boundaries to bring people together to advance the science, knowledge and adoption of integrated care policy and practice.

The Foundation seeks to achieve this through the development and exchange of ideas among academics, researchers, managers, clinicians, policy makers and users and carers of services throughout the World.
Housekeeping

- Hosts requested to mute your microphone on the top bar to decrease background noise:

- Home & Away presentations

- Chat Box (bottom of the screen)

- Presenters will be online during the webinar (unless stated)

Launch of Palliative and End of Life Care Special Interest Group

Anne Mills, CEO
Anne.Mills@hospice.org.im

Sarah McGhee, Director of Research
Sarah.Mcghee@hospice.org.im

Giovanna Cruz, Research Fellow
Giovanna.Cruz@hospice.org.im
The Palliative and End of Life Care Special Interest group (SIG) aims to:
Facilitate collaboration across disciplines and across countries to enhance our understanding, adoption and evaluation of palliative and end of life care as a key component of people centred integrated care.
Topics for 2018/2019

• Public Health Approaches
• Anticipatory Care Plans (ACP)
• Person-centred Outcome Measures

We are compiling resources on these and other approaches to palliative and end of life care

Please send us any suggested resources for uploading and also suggestions for future topics to IFICScotland@integratedcarefoundation.org
A Paradigm Shift
