ALLIANCE
HEALTH AND SOCIAL CARE
ALLIANCE SCOTLAND
people at the centre

“Our vision is for a Scotland where people who are disabled or living with long term conditions and unpaid carers have a strong voice and enjoy their right to live well.”

The ALLIANCE

Membership

The ALLIANCE's membership brings together an extensive and diverse range of organisations and people. We all share a vision of a Scotland where people who are disabled or living with long term conditions and unpaid carers have a strong voice and enjoy their right to live well.

Find out more about the benefits of becoming a member by visiting our website www.alliance-scotland.org.uk or call us on 0141 404 0231 or email membership@alliance-scotland.org.uk

Digital

The ALLIANCE's work to promote change in health and social care includes exploring how digital and innovative technologies can be used to support people's health and wellbeing.

Programmes:

- aliss
- Digital Health and Care

Engagement in Europe

We are involved in a range of programmes that share learning and influence policy and practice at the European level.

Programmes:

- European Economic and Social Committee (EESC)
- European Patients' Forum (EPF)
- The European Patients' Academy (EUPATI)

Health and Social Care Support and Services

The ALLIANCE runs several programmes that encourage and support Scotland's health and social care services to put people at the centre of design and delivery.

Programmes:

- House of Care
- Self-directed Support (SDS)
- Integration Support
- Transforming Care After Treatment (TCAT)

In the Community

We promote innovative approaches that aim to support people to live well in their community.

Programmes:

- aliss
- National Links Worker Programme

People and Networks

The ALLIANCE brings together the voices of disabled people, people living with long term conditions and unpaid carers to inform health and social care policy and practice.

Programmes:

- Dementia Carer Voices
- Health and Social Care Academy
- Our Voice

Policy into Practice

We influence and support the implementation of a range of national policies to ensure they make a difference to people's lives.

Programmes:

- Co-production
- Crohn's and Colitis UK Partnership Project
- 'Getting to know Getting It Right For Every Child'
- My Skills, My Strengths, My Right to Work
- Neurological Programme
- Policy
- Self-directed Support (SDS)
- Sensory Impairment

Self Management and Co-Production Hub

The Hub contributes to the delivery of health and social care integration and transformation of primary care.

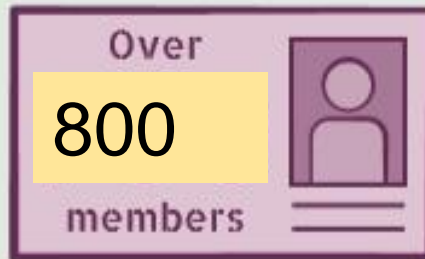

Programmes:

- Self Management
- Co-production
- House of Care
- Integration Support
- Self Management Fund
- Self Management Network Scotland

Self Management Programme

Self Management Network Scotland: a cross sector space for self management learning
