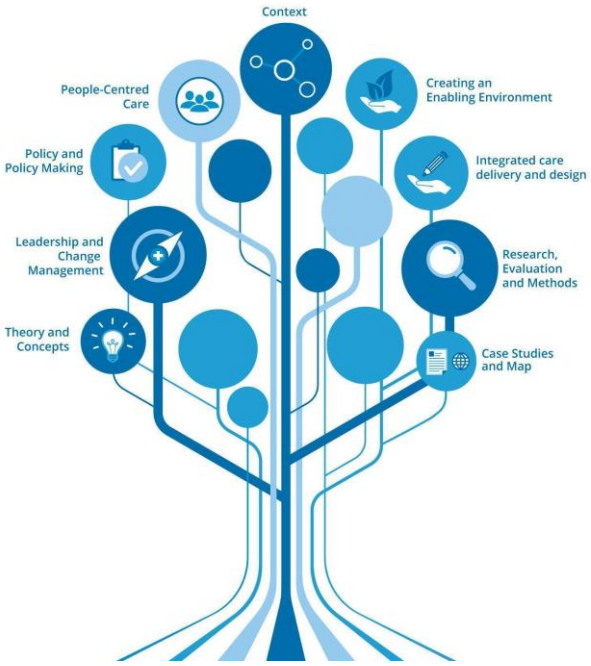
Integrated Care Matters

The Role of Community Hospitals

Knowledge Resource



About the information

The information provided in this document is intended to support the Integrated Care at Home webinar series.

Where possible, we select evidence that is published open access, and provided links to the materials referenced. Some are identified as author repository copies, manuscripts, or other copies, which means the author has made a version of the otherwise paywalled publication available to the public. Other referenced sources are pdfs and websites that are available publicly.

Developed in partnership:

International Foundation for Integrated Care
IFIC Scotland
